

## Celebration of Pi Day (14th March, 2020)

Mathematics students have to develop their pre service training period then it will be helpful to develop and enhance Mathematics Interest among their students. To polish these abilities in the student teachers, Aryabhata Ganita Club of D.A.V. College of Education, Hoshiarpur took an initiative and celebration of 'Pi Day' was scheduled on 14th March, 2020 but due to Corona Virus Outbreak (COVID-19) all the schools and colleges got closed and the on-going events were terminated, D.A.V. College of Education being no exception. So the teachers came out with a solution to conduct an online competition of writing various facts, history and interesting information about mathematics. The topic was announced on 15th March, 2020 and the submission time limit was 24 hours. All the students of Pedagogy of Mathematics participated in this competition with full enthusiasm and the facts were shared with all. All the students enjoyed adding to their knowledge. Prof. Roma Ralhan appreciated students' active participation and enthusiasm and concluded with the comment that 'Would be teachers have proved that they can surely create and maintain interest among their students with such efforts'. Winners of the competition are as follows; First: Kajal and Sandeep kaur, Second: Pratibha and Diksha , Third: Bhawna Kanwar and the appreciation prize to Alka. Students will be awarded with certificates when college starts functioning after lockdown. Respected Principal Sir appreciated the efforts when the successful celebration was reported.
