

Preparation of Curriculum Vitae (18th June, 2020)

Competition was organized on 18 June, 2020 by Placement Cell of D.A.V. College of Education, Hoshiarpur to develop and encourage the skills of the students. It was organized under the supervision of Prof. Roma Ralhan and Prof. Chetna. The Placement Cell is an integral part of the college activities. The main responsibility of the cell is to place the right candidate at the right organization. The cell identifies the qualities, preferences talents and traits of the student teachers which help during the time of placement.

The Placement Cell helps the students to enhance their soft skills, grooms and prepare the students for interviews and demo lessons. Keeping this in view, Placement Cell this year organized this competition on 'Preparation of Curriculum Vitae'. Huge number of students participated in this event with great enthusiasm and did great job.

Every participant tried their best. All the students were eager for participating in this wonderful event.
